DATES & TRAINING DESCRIPTION/GOAL

***Each training date covers a different topic. Participants MUST attend all training sessions.**

Ohio Black, Indigenous, People of Color (BIPOC)**

Prevention Skills Training (PST)

September 25 – 29, 2023, 9AM – 5PM (EST)

This is a 5-day training is designed as an Affinity Group specifically for people who identify as Black/African American, Hispanic/Latinx, Asian, Native American/Indigenous, or People of Color. The goal of the Ohio BIPOC PST is to develop the basic knowledge and skills needed by entry-level substance misuse prevention practitioners to plan, implement, and evaluate effective, data-driven programs and practices that reduce behavioral health disparities and improve wellness among BIPOC populations. The Ohio BIPOC PST is key to building workforce capacity. The Ohio BIPOC PST training series incorporates new content related to BIPOC populations with concentrated themes of health disparities, health equity, and cultural aspects.

The training series will be done through an innovative training format, including training sessions, learning communities, journaling, and mentorship to build and sustain the capacity to deliver comprehensive and culturally diverse community-level prevention services. This training will equip participants with the necessary tools customized specifically for complex communities of color with high risk factors, (i.e., trauma, violence, substance use etc.) so often identified in these communities. This training was developed by BIPOC prevention specialists of color to train individuals who are interested in becoming an Ohio Certified Prevention Specialist (OCPS) in serving BIPOC communities.
